Cookies Policy

We use cookies when you visit the Website and use the Platform. A cookie is a small file that is saved on your computer, tablet or mobile phone when viewing a website. With the help of cookies user preferences may be saved for later use, or browsing habits can be tracked for statistical purposes.

A lot of improvements in a website's user experience and performance are possible thanks to the implementation of cookies.

We use strictly necessary cookies for technical reasons as they are necessary to enable the Website to operate efficiently so that you can navigate the Website with ease and use specific features. These include, for example, cookies that help us to debug any errors. If these cookies are blocked or disabled, the Website will not operate.

We use analytical cookies to analyse website traffic and usage and help us to improve user experience. Before saving any such cookies, we will ask for your consent. You will be able to revoke your consent at any time. The cookies set out in this Policy are saved until you delete them in your internet browser.

You can block the use of cookies by changing the settings in your browser. This may, however, limit your user experience. More information on enabling, disabling and deleting cookies can be found in the Help-function of your browser
